"Orange" is the program adopted by our Children's Ministries, and is an expression of the joining of the ministry of the home (red) with the ministry of the church (yellow) to produce Orange.

We will be challenged with theological truths and how to implement biblical work values/ethics in practical ways. By Pastor Vic in the Fellowship Hall.
2. **Senior High Class: The Gospel Project:** The Gospel Project is a Christ-centred, chronological study that will take our Students on a journey through the storyline of Scripture, through which we will discover the big picture of what God has been doing throughout redemptive history, and what it means for us.
