## Open Forum #1 – Summary of Concerns from Nov. 19, 2017

<u>Concerns Raised</u>	<u>Possible Actions/Response</u>
<ul style="list-style-type: none"><li>i. How will we continue to serve the children/teens of the parents from SCAC?</li><li>ii. What makes us think that getting people into Sunday school will fulfil the discipleship process</li><li>iii. Why don't we keep it "as is" and just educate people to attend Sun school now?</li><li>iv. What % of people do you think we need to get to Sun school for more effective ministry?</li><li>v. Is it possible to make the start time of worship even earlier like 8:30am?</li><li>vi. Is it possible to keep our worship time at 11:00am and to have Sun school or discipleship classes after since so many people stay here for lunch anyways?</li></ul>	<ul style="list-style-type: none"><li>i. We are continuing to look at the #'s of children and students who will be impacted by any such change and to see how to address their needs.</li><li>ii. We will have to continually adjust our teaching methodology for discipleship purposes.</li><li>iii. We are striving to cultivate an environment and life pattern of disciples making disciples. Sun school is just one vehicle to help us develop these.</li><li>iv. As high as possible for most effective discipleship.</li><li>v. We prefer changes that are not too extreme.</li><li>vi. It is possible but we must consider the implications and demands of a Sun program that spans over and beyond the lunch hour.</li></ul>

It is our Board of Elders belief that by starting worship earlier and having Sun school afterwards, it will create more opportunities for all peoples at the worship service to attend a discipleship-oriented Sun school class. A good number of people appreciated our approach in involving our congregation's input. In the suggested change, we are planning to provide a children program during the Sun school hour so that parents can attend. Worship team members and CM workers can also attend to be strengthened spiritually since it is after the worship service. We invite everyone to attend our next Open Forum on Dec 10, 2017 after service in our downstairs hall at 1:00pm.
